

Kantiranis A. Nikolaos

Assoc. Professor, PhD, MSc

Departments of Mineralogy-Petrology-Ec. Geology

School of Geology, Faculty of Sciences

Aristotle University of Thessaloniki

Tel./Fax: +30-2310-998437

E-mail: kantira@geo.auth.gr, Web: www.kanriranis.gr

- Born (1973) and graduate from the 4th Secondary School (1990) of Grevena, Greece.
- Graduate of the Department of Geology, AUTH. (1995).
- MSc Mineral Resources and Environment, School of Geology, Aristotle University of Thessaloniki (1998)
- Diploma of Researcher of the Ministry for the Environment, Physical Planning and Public Works (1999) for Categories 20 (Geological, Hydrogeological and Geophysical Studies and Surveys) and 27 (Environmental Studies).
- Doctor of Geology, Aristotle University of Thessaloniki (2001).
- He has received 4 scholarships and 2 awards.
- He holds 3 national patents.
- He has participated in more than 30 research programs.
- He has participated in more than 50 conferences-symposia-workshops, 10 of which participated in their organization.
- He has more than 170 published paper of which 79 in international journals and has been a reviewer in 11 international journals.
- He is a full member of 4 scientific companies-chambers-associations and a founding member of 1 scientific company.
- He has written more than 80 scientific or technical reports.
- His research focuses mainly on the interaction of interactions of liquids with solid materials (rocks and of anthropogenic origin), industrial minerals and rocks with emphasis on the applications and uses of limestones, marbles, clay minerals and rocks, zeolitic rocks and the examination of mineral ore deposits, the evaluation of harmful materials for public health (asbestos, suspended particulates, etc.), the preparation of modern materials with bioactive behavior, the examination of archaeological shells, the study of the geotechnical behavior of soils and rocks.
- He is teaching experience since 1996 at the School of Geology, Department of Mineralogy-Petrology-Economic Geology (independent teaching since June 2010), independent teaching at Technological Institute of Western Macedonia (from 2003-2011) and in Cultural Institute of Vocational Training of Thessaloniki (2004), and since 2010 as a faculty member at the Aristotle University of Thessaloniki, School of Geology.
- He speaks very good English.
- He is married and has two children.
